ABOUT ME

Product manager with 6 years in payments and lending, working on UPI rails and card issuing.

WHERE I'VE WORKED

Senior Product Manager at Razorpay

Mar 2022 - Present

" Led the UPI autopay rollout to 1.2 million merchants, lifting recurring collections by 18%.
" Cut merchant onboarding drop-off by 34% by rebuilding the KYC step.
" Ran the pricing experiment that added 2.4 crore in annual revenue.

Product Manager at Zeta

Jul 2019 - Feb 2022

" Shipped a card-issuing console adopted by 40 banks across India and the Gulf.
" Interviewed 60 customers to rebuild the disputes flow, cutting tickets by 22%.
